Dealer Valued Authorized Dealer:

We are writing to inform you that, effective immediately, we will be discontinuing all Rustic line products. This decision has been made after careful consideration and is based on lack of supply, demand and increased prices. We would like to take this opportunity to share while we are discontinuing Rustic products, it opens up space in our warehouse for new opportunities of stronger selling products.

We at PFC Furniture Industries will continually strive to be at the forefront of the latest trends at the most reasonable prices. Be aware that rustic products remaining in our warehouse will be relocated to the "close-out" category.

Thank you for your support and understanding of this change. If you have any questions or require assistance regarding this change, please feel free to contact us at (972) 231-7732. Alternatively, you can reach out to your sales rep. Thank you for being a valued customer.

Best Regards
