Dealer Valued Authorized Dealer:

We have great news! The pre-scheduled tariff increase across the board scheduled for July 1, has been cancelled. After further thought and review we came to the conclusion that the increase will only further challenge business in an already challenging time particularly during the upcoming slower summer months.

PFC Furniture Industries will absorb the increases imposed on us from majority of our product and freight vendors. That being said, we do have a very few select items prices that will need to be increased July 1, 2025 exclusively. They are as follows:

\$100 Group Price Increase:

U8540 Arizona 3 Colors

\$50 Individual Price Increase:

U13660 Lantana Sofa

U13660 Lantana Loveseat

U5230 Atlantis Heritage Brown Sofa

U5230 Atlantis Heritage Brown Loveseat

U8900 Carlo Black Sofa

U8900 Carlo Black Loveseat

The U13660 Recliner will receive a \$10 increase.
